

TO-GO MENU

Wednesday, March 25th
5:00 p.m. to 8:00 p.m.

ON THE LINE - providing relief for our community during the COVID-19 outbreak

For the time being we will be selling pre-packaged heat and serve meals, beer, and wine - prices are suggested, we encourage you to pay what you can and maybe pay a little more to cover a meal for someone in need - service industry employees are welcome to pick up a free meal on us

All payments are considered donations, and will go towards providing relief funds to our staff as well as buying more food to sustain our community for as long as possible - we are not able to provide delivery at this time

We are accepting venmo as our form of payment
